

EXAM CREDIT

Award of Incoming Credits

- Credit will be awarded only once for the same course, whether from credit by examination, dual enrollment, transfer credit, or UF course credit.
- Credit awarded for acceptable dual enrollment or transfer courses takes precedence over credit by examination.
- If duplicate credit exists among AICE, AP, CLEP, or IB, the exam yielding the most credit will be awarded.

Guidelines for Credit Awarded by AICE, AP, CLEP, DLPT, DSST, IB, or UExcel Examinations

- A maximum of 45 credits may be granted by combining AICE, AP, CLEP, DLPT, DSST, IB, or UEXCEL credit.
- Students beginning in the Fall or Spring term must have taken the exams and have their scores reported to the university before the end of their first term of enrollment at UF.
- Students who begin in the Summer A term must have taken the exam(s) and had their scores reported to the university before the end of their first Summer B/C term.
- Students who begin in the Summer B term must have taken the exam(s) and had their scores reported to the university before the end of their first Fall term.
- If a student submits appropriate scores, UF will grant credit for the UF course(s) that most closely match the content of the exam as determined by the State of Florida. The transcript will reflect the course(s) with grades of P (for Pass). P grades will not be calculated into the student's GPA.
- Equivalent courses earned by examination generally fulfill the same requirements that the UF course fulfills.

Exams

AICE Exam Credit

Students completing approved AICE examinations with scores of A-E will earn UF credit.

Scores of E or higher on AICE French Language, German, Latin Language, and Spanish Language examinations fulfill the foreign language proficiency requirement for the College of Liberal Arts and Sciences, the College of Journalism and Communications, and BA programs in the College of the Arts.

The chart specifies which UF course credit students will earn depending on their score on each exam and whether the credit earned will count for General Education (<http://catalog.ufl.edu/UGRD/academic-programs/general-education/#genedcoursestext>) and the Writing Requirement (<http://catalog.ufl.edu/UGRD/student-responsibilities/>) (6,000 words).

¹ The L000 course number has no UF course equivalent. The credit applies to the minimum credits for the degree but does not provide credit toward General Education, Writing Requirement, or count toward the major.

² Writing Requirement (6000 words).

UExcel Exam Credit

UExcel Examinations; Excelsior College Examinations (formerly known as Regents College Exams or the Proficiency Examination Program), are developed by Excelsior College using national committees of faculty consultants and national studies to assess how well the tests measure the performance of students in actual college courses.

More Info (<https://www.excelsior.edu/courses-and-exams/>)

The chart specifies which UF course credit students will earn depending on their score on each exam and whether the credit earned will count for General Education (<http://catalog.ufl.edu/UGRD/academic-programs/general-education/#genedcoursestext>) and the Writing Requirement (<http://catalog.ufl.edu/UGRD/student-responsibilities/>) (6,000 words).

¹ The L000 course number has no UF course equivalent. The credit applies to the minimum credits for the degree but does not provide credit toward General Education, Writing Requirement, or count toward the major.

² Writing Requirement (6000 words).

³ XUF is a prefix designated for non-UF courses that may fulfill General Education or other degree requirements.
