School Information

Accounting at UF traces its roots back to 1923 when the first accounting course was offered. Today, as one of the nation's few free-standing accounting schools, the Fisher School of Accounting has cultivated a distinctive identity at the University of Florida and among the nation's top business programs.

Curriculum

- Accounting
- Accounting Minor
- Accounting Minor UF Online
- Combination Degrees

With the increasingly interdisciplinary model used by businesses, completion of the minor broadens career opportunities and increases the student's marketability. With careful course selection, completion of the minor will accrue enough accounting credits for students from any major to apply for direct admission to the on-campus Master of Accounting program upon completion of the undergraduate degree.

Additional Requirements

- All 3000-level and above coursework must be completed at the University of Florida.
- All course and grade prerequisites must be satisfied. Because the prerequisites for some upper-division accounting courses include business courses not included herein, non-business majors typically have to complete additional business courses to complete this minor.
- A minimum grade of C is required for each course in the minor, except for ACG 2021 and ACG 2071, which require a minimum grade of B.
