

ENVIRONMENTAL HORTICULTURE MANAGEMENT CERTIFICATE

The Environmental Horticulture Management certificate is offered via distance learning technologies. The certificate enables the working professional or adult learner who is place-bound and cannot attend classes in Gainesville to gain a background in the sustainable ornamental horticulture practices used in the greenhouse, nursery, or landscape industries. The program emphasizes the conservation of resources through proper plant management.

About this Program

- **College:** Agricultural and Life Sciences (<http://catalog.ufl.edu/UGRD/colleges-schools/UGAGL/>)
- **Credits:** 15 | Completed with minimum grades of C
