

BEEKEEPING CERTIFICATE

The Beekeeping certificate prepares students with a foundational knowledge of honey bee biology and the craft of beekeeping. Additionally, this certificate provides theoretical and practical learning opportunities, based on current research that encompasses the many elements of beekeeping worldwide.

About this Program

- **College:** Agricultural and Life Sciences (<http://catalog.ufl.edu/UGRD/colleges-schools/UGAGL/>)
- **Credits:** 15 | Completed with minimum grades of C

Certificates must contain at least nine credits of coursework that are unique to that program out of all other certificates and minors.

Department Information

The Entomology and Nematology Department prepares students for exciting careers in a variety of fields. Entomology and Nematology majors can enter medical, dental, or veterinary school; progress to graduate study in any of several biological sciences such as ecology, nematology, entomology, horticulture, or zoology; or move directly to a variety of careers in fields such as pest management, ecotourism, or biosecurity.
