

ENTOMOLOGY AND NEMATOTOLOGY MINOR

The entomology and nematology minor is open to any student who wants additional knowledge in this biological science field.

About this Program

- **College:** Agricultural and Life Sciences
- **Credits:** 15, completed with minimum grades of C
- **Related Entomology and Nematology Programs**

Electives enable students to tailor the minor to their individual interests and career goals.

- Nine credits minimum of 3000/4000-level coursework (exclusive of practical problems)
- No more than three credits of practical problems courses
- Except with undergraduate coordinator permission, students are expected to complete the following on campus; other ENY courses can be taken online:

Code	Title	Credits
ENY 3005	Principles of Entomology	2
ENY 3005L	Principles of Entomology Laboratory	1
ENY 4161	Insect Classification	3
ENY 4660	Medical and Veterinary Entomology	2
ENY 4660L	Medical and Veterinary Entomology Laboratory	1

- Students who specialize in nematology must complete six credits from NEM 3002, NEM 5705, or an acceptable practical problem.
- Additional credits in entomology must be approved by the department

Required Courses

Code	Title	Credits
ENY 3005 & 3005L	Principles of Entomology and Principles of Entomology Laboratory ¹	3
ENY 4161	Insect Classification ¹	3
ALS, ENY, IPM, NEM, or PMA-prefixed courses ²		9
Total Credits		15

¹ Must be taken on campus.

² Subject to the approval of the Department of Entomology and Nematology's undergraduate coordinator.
