

PATHOGENESIS MINOR UF ONLINE

This minor emphasizes human infectious disease to provide a strong foundation in the field of microbial pathogenesis. This is provided by academic coursework covering fundamental and advanced aspects of microbial pathogenesis from both the host and pathogen perspective.

About this Program

- **College:** Agricultural and Life Sciences (<http://catalog.ufl.edu/UGRD/colleges-schools/UGAGL/>)
- **Credits:** 12 | Completed with minimum grades of C

Department Information

The Department of Microbiology and Cell Science is committed to excellence in education, research and service to the community. The curriculum provides an excellent preparation for students who wish to enter the workforce or continue their education in professional programs such as medical, dental, pharmacy, veterinary programs, graduate school or public health degrees. B.S. degrees are offered through both the College of Agricultural and Life Sciences and the College of Liberal Arts and Sciences and the M.S. and Ph.D. degrees are offered through the College of Agricultural and Life Sciences. Combination degrees are available.

This minor is open to all students who have completed BSC 2010 and MCB 3020 or MCB 3023, and who meet course prerequisites.

It is particularly appropriate for students majoring in animal sciences, biology, microbiology and cell science, plant pathology, public health, and zoology, and for those interested in professional programs in dentistry, medicine, pharmacy, or veterinary medicine.

Allowed Overlap with MCY or MCB major

Microbiology and Cell Science majors should meet with their academic advisors before applying to this minor to plan a program of study. Students must complete a minimum of six credits of coursework exclusive to the minor that cannot count toward the major(s) or other minors.

Prerequisites

Code	Title	Credits
BSC 2010	Integrated Principles of Biology 1	3
MCB 3020 or MCB 3023	Basic Biology of Microorganisms Principles of Microbiology	3

Required Courses

Code	Title	Credits
Select 4 courses:		12
MCB 4203	Bacterial Pathogens (Fall only)	
MCB 4271	Antimicrobial Resistance (Fall and Spring)	
MCB 4422	Probiotics (Spring only)	

MCB 4503	General Virology (Spring only)
PCB 4233	Immunology (Spring only)
SWS 4307	Ecology of Waterborne Pathogens (Spring only)
ZOO 4232	Human Parasitology (Fall only)
Total Credits	12
