CERAMICS CERTIFICATE

The School of Art and Art History (SAAH) certificate program enables students with a major outside of the visual arts to take a series of classes within the studio arts where clay is used as the art material. Classes expose students to art-making practices within the field of ceramics, develop manual skills in clay forming, increase visual understanding of content in art and enable the student to explore personal decision-making and creative problem-solving in art-making.

About this Program

• **College:** Arts
• **Credits:** 18-21
• **Contact:**
  • General Information: Email
  • Contact, Portfolios, and Coursework: Email

Certificates must contain at least nine credits of coursework that are unique to that program out of all other certificates and minors.
