To graduate with this major, students must complete all university, college, and major requirements.

Music education programs are available in choral, choral and keyboard, and instrumental. More than one-half of the students in the School of Music are preparing for careers as music teachers in elementary or secondary schools. In addition, undergraduates interested primarily in performance careers often take advantage of the teacher-preparation curriculum, which fulfills the educational requirements for Florida teaching certification in grades K-12, and in most other states. Programs are accredited by NASM and the Southern Association of Colleges and Schools (SACS).

All students are required to pass the Florida Teacher Certification Exam (FTCE) general knowledge test by end of the sophomore year.

For the B.Mus.Ed., students must complete at least 50 major and elective credits at the 3000/4000 levels.

Remaining portions of the FTCE and an online portfolio showing evidence of the Florida Accomplished Practices as prescribed by the Florida Department of Education must be completed prior to student teaching.

The Bachelor of Music in music education prepares students to become musicians and music teachers in a K-12 instructional setting. Through studies in conducting, rehearsal planning, teaching techniques, and theory, applied performance, music literature and history and piano, students will be able to structure and apply music for meaningful and effective music class and ensemble instruction.

**Before Graduating Students Must**
- Pass the General Knowledge Test and the Music (K-12) Subject Area Test of the Florida Teacher Certification Examination.
- Satisfactory faculty evaluation of a student portfolio.
- Complete requirements for the baccalaureate degree, as determined by faculty.
