Academic Learning Compact

The Bachelor of Arts in Music provides a liberal arts education with an emphasis in Ethnomusicology, Music History and Literature, Music Theory and Composition, or Performance. Studies in music theory, applied performance, music literature, music history, and piano, provide knowledge of the structure and expression of music within the historical context of musical genres. Students will also be able to apply their knowledge through singing or performing a musical instrument and they will be able to apply critical thinking skills when hearing musical sounds.

Before Graduating Students Must

- Satisfactory faculty evaluation of a student portfolio.
- Complete requirements for the baccalaureate degree, as determined by faculty.
