To graduate with this major, students must complete all university, college, and major requirements.

Placement in the BFA Theatre program is determined by audition or portfolio interview. There are two specialization areas in the program: Acting, and Musical Theatre. Students enrolled in Theatre Performance: acting or musical theatre will proceed through studio coursework by demonstrated proficiency.

Transfer students entering the musical theatre program may be required to take a placement exam by the School of Music for placement in music courses. If a student has earned college credit with a minimum grade of C for music courses taken at another SUS institution with course prefixes and the last three digits matching a UF music course, this is usually granted as transfer credit when evaluated by the music faculty.

All theatre majors should consult the academic advisor as early as possible.
