To graduate with this major, students must complete all university, college, and major requirements.

The professional education curriculum incorporates important topics in special education, classroom management, inclusive classroom settings, English for speakers of other languages (ESOL), reading and other related issues.

Graduates of the unified elementary/special education ProTeach program will be able to create and maintain supportive and productive classrooms for diverse student populations. These teachers also will be prepared to work collaboratively with school personnel, families, and members of the community to develop alternative ways to educate all students.

Fifth-Year Requirement

Students must complete the fifth year requirement as a graduate student earning a Master of Education or as a postbaccalaureate student.

Passing scores on appropriate portions of the Florida Teacher Certification Examination (FTCE) will be required before program completion.

Passing score on all subtests of the FTCE subject area exam in elementary education (K-6) required for completion of the bachelor’s degree.

Certification Options

During the fifth year, students may select from two certification tracks:

Dual-Certification Track
36-credit master’s degree program or 30-credit postbaccalaureate program

- Confers recommendation for certifications in elementary (grades K-6) and exceptional student education (ESE K-12) with endorsements in ESOL and reading

Single-Certification Track
36-credit master’s degree program or 21-credit postbaccalaureate program

- Confers recommendation for certification in elementary (grades K-6) with endorsements in ESOL and reading

This degree is the first step of a two-step process that prepares students for certification to teach grades K - 6 in the state of Florida. The second step requires completion of the Master of Education degree in elementary education or special education. The undergraduate program develops the foundation knowledge and skills for effective planning, teaching and evaluating pupil learning.

Before Graduating Students Must

- Pass the General Knowledge Test and the Elementary Education Subject Area Test of the Florida Teacher Certification Examination.
- Demonstrate mastery of effective teaching practices by meeting Florida Educator Accomplished Practices 1-6, as determined by multiple instructors across the program.
- Complete requirements for the baccalaureate degree, as determined by faculty.
