- Education Studies Minor
- Educational Technology Minor
- Educational Technology Minor UF Online
- Elementary Education | Grades K-6
- Florida Teaching Minor
- UFTeach | Mathematics or Science Minor

The minor requires completion of coursework in the professional preparation areas of human development and learning, assessment, classroom management, instructional strategies, reading competency and curriculum and special methods. Students will have extensive opportunities to integrate their teacher education coursework with actual classroom experience.

The minor is open to undergraduates with a major other than mathematics, science or education. Students with majors in mathematics or science should refer to the UFTeach minor.

Admission to this minor requires a UF GPA of 2.5 or better. Students must apply for acceptance to the minor within the college of their major and the College of Education after 45 but before 100 credits are earned.

More Info (http://education.ufl.edu/student-services/)

Those pursuing the minor are encouraged to complete the Florida Teacher Certification Examination (FTCE) General Knowledge Test (recommended in sophomore/junior year), the FTCE Subject Area Exam (recommended early in senior year) and the FTCE Professional Education Test (recommended mid-senior year).

More Info (http://fl.nesinc.com/)

*FTCE tests are not required for award of the minor, but they are required for certification.*
