

SALES ENGINEERING MINOR

Graduates with this minor are regarded highly by recruiters for industries seeking sales engineering staff. The minor provides the academic background for careers in sales, managerial, and entrepreneurial pursuits. Graduates are more effective communicators and are trained to promote and market new technologies and related products.

About this Program

- **College:** Herbert Wertheim College of Engineering (<http://catalog.ufl.edu/UGRD/colleges-schools/UGENG/>)
- **Credits:** 16-18 | Completed with a minimum 2.8 combined GPA
- **Contact:** 371 Weil Hall (<http://campusmap.ufl.edu/?loc=0024>)

Only students enrolled in an engineering degree-granting major are eligible for this minor. Computer Science students are not eligible for this degree.

The curriculum enhances the engineering discipline with courses in communications, business, management and accounting. There is a core requirement of seven to eight credits, a communication skills elective requirement of three credits and a management skills elective requirement of six to eight credits.

Required Courses
