To earn the Bachelor of Science in Tourism, Hospitality and Event Management courses must be completed successfully in General Education, the major, and related professional and specialized courses. All students take a common core of courses providing them with foundational knowledge within the discipline. Subsequently, students select one specialization.

An approved 13-week internship is required upon completion of all coursework or the successful completion of the Academic Option (for those who qualify). Both options are included in the 120 credits for the degree. Students that have current or past industry experience (supervisory or entry level but not seasonal employment) will be able to substitute the full-time internship engagement with a choice of five department course electives taken over the course of several semesters.

Students interested in the academic option will need to submit the following documents for approval beginning of their junior year:

1. Notice of intent form
2. Current resume
3. Statement that outlines personal and professional goals
4. An overview of how past industry experience has prepared them for a desired career position.
