Curriculum
• Combination Degrees
• Geological Sciences Certificate
• Geology
• Geology Minor
• Geology UF Online

Students pursuing the Bachelor of Arts in geography with a specialization in environmental geosciences are not eligible to receive this minor. All students should consult the undergraduate advisor.

A minimum of nine credits must be completed at UF and nine credits must be at the 3000/4000 level. No more than one credit of independent study will be accepted. Students must complete a minimum of six credits of coursework exclusive to the minor that cannot count toward the major(s) or other minors.
