

MEDICAL ANTHROPOLOGY CERTIFICATE

The Medical Anthropology certificate provides an intensive foundation in medical anthropology for undergraduate anthropology and non-anthropology majors. Courses emphasize the role that biology, culture, language, and prehistory play in human health, and the experience of healing across cultures.

About this Program

- **College:** Liberal Arts and Sciences (<http://catalog.ufl.edu/UGRD/colleges-schools/UGLAS/>)
- **Credits:** 12 | Completed with a 3.0 GPA average in all attempted courses
- Student Learning Outcomes (SLOs) (<https://public.tableau.com/app/profile/uf.oipr4918/viz/UFStudentLearningOutcomesCertificatesOnly/StudentLearningOutcomes/?publish=yes>)

Certificates must contain at least nine credits of coursework that are unique to that program out of all other certificates and minors.

Department Information

Anthropology lies at the intersection of the multiple approaches to the study of humankind that characterize other disciplines – biological, social, cultural, historical, linguistic, cognitive, material, technological and aesthetic – because of its unique holistic perspective. These multiple approaches are encapsulated in the four traditional subfields that have composed the discipline since its establishment in the 19th century: cultural, archaeological, biological and linguistic anthropology.
