

THEORIES AND POLITICS OF SEXUALITY MINOR

The Theories and Politics of Sexuality minor is useful for anyone who is curious about the place of sexuality and the institutions and practices organized around it (marriage, reproduction, the law, etc.) in life and culture.

About this Program

- **College:** Liberal Arts and Sciences (<http://catalog.ufl.edu/UGRD/colleges-schools/UGLAS/>)
- **Credits:** 18 | Completed with minimum grades of C

Center Information

The Center for Gender, Sexualities, and Women's Research advances research, teaching, and leadership on how multiple systems of power intertwine to shape culture, society, and people's lived experiences. Students explore how gender, class, race, sexuality, and other systems of power shape important domains such as health, work, culture, media, politics, leadership, and organizations. Students also learn how to put this knowledge into practice to transform these systems
