WOMEN'S STUDIES MINOR

The Women's Studies minor complements work in humanities, social science or natural science majors, focusing on questions of gender, sex, and power that may be discussed but not explored in depth in traditional disciplines.

About this Program
• College: Liberal Arts and Sciences (http://catalog.ufl.edu/UGRD/colleges-schools/UGLAS)
• Credits: 18 | Completed with minimum grades of C

Center Information
The Center for Gender, Sexualities, and Women's Research advances research, teaching, and leadership on how multiple systems of power intertwine to shape culture, society, and people's lived experiences. Students explore how gender, class, race, sexuality, and other systems of power shape important domains such as health, work, culture, media, politics, leadership, and organizations. Students also learn how to put this knowledge into practice to transform these systems
