The Zoology minor provides a solid foundation in the biology of animals, from the molecular to the organismal level, as well as their relationships to each other and the environment.

**About this Program**

- **College:** Liberal Arts and Sciences ([http://catalog.ufl.edu/UGRD/colleges-schools/UGLAS/](http://catalog.ufl.edu/UGRD/colleges-schools/UGLAS/))
- **Credits:** 17-18 | Completed with minimum grades C

**Department Information**

The Department of Biology studies life at all levels from molecules to the biosphere to understand the evolution, structure, maintenance and dynamics of biological systems. The department's teaching and research provide the integrative and conceptual foundations of the life sciences.

Students pursuing majors of biology, entomology, food science and human nutrition, microbiology, natural resource conservation or wildlife ecology are not eligible to receive the minor in zoology.

Students must complete a minimum of six credits of coursework exclusive to the minor that cannot count toward the major(s) or other minors.

PCB or ZOO courses from the Department of Biology 1

| Total Credits | 17-18 |

1 Minimum of three courses and nine credits; must include at least one ZOO course.

Not all PCB and ZOO courses are offered by the Department of Biology. Students should search “Zoology” or “Biological Sciences” on [https://one.ufl.edu/soc/](https://one.ufl.edu/soc/) to ensure that their desired courses are in the correct department.
Excluding PCB 1050, PCB 1051, PCB 2050, PCB 2441, PCB 3134, PCB 3601C, PCB 4233, PCB 4522, PCB 4917, ZOO 4232, and any other courses not offered by the Department of Biology.
