HEALTH SCIENCE MINOR

The Health Science minor provides foundational knowledge and skills in the changing healthcare delivery system.

About this Program

• **College:** Public Health and Health Professions (http://catalog.ufl.edu/UGRD/colleges-schools/UGPBH/)
• **Credits:** 15 | Completed with minimum grades of C

Department Information

The Bachelor of Health Science (BHS) program is a limited access program designed for students whose career goal is to work in the health professions providing service to individuals and communities. BHS students are typically pursuing health related professions such as medicine, physician assistant, physical therapy, occupational therapy, audiology, speech-language pathology, dentistry, epidemiology, or public health.

Curriculum

• Disability Science Minor
• Health Science
• Health Science Minor

Related Programs

• Public Health

The minor is open to all juniors and seniors with majors outside the College of Public Health and Health Professions who meet the prerequisites. It is also open to communication sciences and disorders students.

Prerequisites include junior standing (60+ credits), a 3.0 overall GPA and a 3.0 prerequisite GPA based on general college biology, general psychology, abnormal/developmental/physiological psychology, physiology and statistics (STA 2023). Students can transfer up to three credits of approved coursework.

Interested students should obtain an application and a list of current coursework.

Required Courses

*Complete the first three courses before taking electives.*
