Curriculum

- American Sign Language and Deaf Culture Certificate
- Artificial Intelligence in Public Health and Healthcare Certificate
- Public Health
- Public Health Minor
- Rehabilitation Minor

The minor is open to all students who meet the prerequisites listed below, except for Health Science majors in the Pre-Rehabilitation specialization. Health Science majors in the Preprofessional specialization can substitute CHM 2045 for the APK 2105C prerequisite requirement.

Prerequisites

Completion of prerequisite courses does not guarantee admission to the minor.

- Junior standing or higher (60+ credits)
- A 3.0 overall UF GPA and a 3.0 prerequisite GPA based on the following courses:

Code	Title	Credits
APK 2105C	Applied Human Physiology with Laboratory	4
BSC 2010	Integrated Principles of Biology 1	3
PSY 2012	General Psychology	3
STA 2023	Introduction to Statistics 1	3

Students will only be considered for the minor if all prerequisites are complete prior to applying.

Required Courses

Code	Title	Credits
HSC 3502	Survey of Diseases and Disability	3
HSC 4541	Musculoskeletal Assessment in Rehabilitation	3
OTH 3413C	Applied Kinesiology	3
OTH 3416	Pathophysiology	3
OTH 4412 & 4412L	Musculoskeletal Anatomy and Musculoskeletal Anatomy Laboratory	5
Total Credits		17
