# ACCOUNTING

## Course Search

Not all courses are offered every semester. Refer to the schedule of courses for each term's specific offerings.

More Info

Courses at the University of Florida, with the exception of specific foreign language courses and courses in the online Master of Arts in Mass Communication program, are taught in English.

## Graduate Accounting Courses

Courses at the 5000 level are available to undergraduates who are admitted to the Fisher School of Accounting, who have met the admissions requirements for the Master of Accounting program and who have advisor approval. Prerequisites and graduate courses are listed in the graduate catalog.

# Course Descriptions

**ACG 2021 Introduction to Financial Accounting**

Conceptual introduction to financial accounting. Emphasis is placed on wealth and income measurement and the preparation and interpretation of conventional financial statements.

**ACG 2071 Introduction to Managerial Accounting**

Accounting for cost reporting and control. Reports, statements and analytical tools used by management.

**ACG 3101 Financial Accounting and Reporting 1**

Covers the theoretical structure of financial accounting, required financial statements, revenue recognition, operating assets and current liabilities.

**ACG 3401 Business Processes and Accounting Information System**

Examination of the accounting information systems in a business organization. Coverage extends over topics such as business processes, internal controls, and the fundamentals of accounting information systems analysis, design, implementation and control.

**ACG 3802 Professional Speakers Series**

To expose students to technical topics and emerging issues in accounting, business and related professions such as law. The course addresses career opportunities in the practice of public accounting, industry, financial services, government, and in business more generally. (S-U)

**ACG 4111 Financial Accounting and Reporting 2**

Continuation of ACG 3101 and includes coverage of accounting for investments, non-current liabilities and equities, accounting for income taxes, derivatives, accounting changes, statement of cash flows and earnings per share.

**ACG 4341 Cost and Managerial Accounting**

Extends cost and managerial coverage beyond that covered in ACG 2071. Topics include quantitative cost estimation, standard costing, flexible budgets, inventory management, pricing decisions, balanced scorecard, costs of quality, capital budgeting, transfer pricing and performance evaluations.

**ACG 4632 Introduction to Auditing**

Introduces the basic concepts, principles and environment of financial statement auditing. The course emphasizes the audit decision-making process, researching audit standards, audit planning, evidence evaluation, audit reports, ethics and legal liability.

**ACG 4931 Special Topics**

Opportunity for in-depth study of topics not offered in other courses and of topics of special current significance.

**ACG 4941 Supervised Accounting Internship**

Applied work in professional accounting. Requires several papers and reports. (S-U)

**ACG 4970 Honors Thesis**

The thesis must be submitted to the Fisher School no later than the published deadline and includes an abstract. (S-U)

**TAX 4001 Introduction to Federal Income Tax**

Introduces federal income taxation and is designed for students who pursue careers in accounting. The course develops a basic understanding of the federal income tax laws relating to businesses and provides a framework for integrating income tax planning into the business decision-making process.

**TAX 4930 Special Topics in Taxation**

Course provides an opportunity for in-depth study of topics not offered in other courses and of topics of special current significance.

**TAX 4950 Honors Thesis**

1 Credit

The thesis must be submitted to the Fisher School no later than the published deadline and includes an abstract. (S-U)
