Not all courses are offered every semester. Refer to the schedule of courses for each term’s specific offerings.
More Info

Courses at the University of Florida, with the exception of specific foreign language courses and courses in the online Master of Arts in Mass Communication program, are taught in English.

Courses

HUM 2510 Design for Understanding the Visual and Performing Arts 3 Credits
Analysis of the basic elements and concepts of the visual arts, music, theater, and the dance to establish a fundamental base from which decisions can be made about what one sees, hears, and feels. Understanding, appreciation, and literacy in the arts are developed and are strengthened by participating in arts experiences. (H) (WR)
General Education - Humanities
WR2

HUM 2511 Basic Fundamentals and Skills in the Visual Arts and Music 3 Credits
Fundamentals of visual arts and of music needed by the classroom teacher for teaching art and music in the elementary school. Students with sufficient background may exempt the course by examination.

HUM 2592 Introduction to the Arts in Medicine in a Global Context 3 Credits
Explores the field of arts in medicine in a global context, focusing on the many ways that the arts can be used to enhance health and wellbeing in healthcare or community settings and the relationship of culture to healing practices, systems, and health literacy in various regions of the world.

HUM 2930 Special Topics in Fine Arts 1-3 Credits
Variable topics course exploring the interaction between various arts and between the arts and other disciplines.

HUM 3940L Arts in Medicine Practicum 1 2 Credits
Provides basic to intermediate-level mentored practice in the arts in healthcare in a clinical or community environment. Emphasizes a primary discipline while deepening the understanding of the practice through documentation self-assessment and a culminating paper.
Prereq: HUM 2592 or completion of Arts in Healthcare Summer Intensive, and instructor permission

HUM 4594 Music in Medicine Capstone 1 Credit
Through literature review and a culminating research paper, provides an opportunity to research a topic in the field of music in medicine relevant to educational and professional goals.

HUM 4912 Fine Arts Undergraduate Research 3 Credits
Provides an opportunity for firsthand, supervised research. Projects may involve inquiry, design, investigation, scholarship, discovery, or creative application, depending on the topic. Projects are supervised by an advising faculty member or a grad student working under faculty supervision. (S-U)

HUM 4930 Special Topics in Fine Arts 1-3 Credits
An upper division general fine arts special/rotating topics on various subjects in the arts.
Prereq: junior or senior standing

HUM 4941L Arts in Medicine Practicum 2 3 Credits
Provides an individualized and in-depth practice of the arts in healthcare in a clinical or community environment. Emphasizes a primary discipline while deepening the understanding of the practice through documentation reflection and a culminating paper.
Prereq: HUM 3940L and instructor permission

HUM 4956 Overseas Studies in Fine and Performing Arts 1-18 Credits
Provides a mechanism by which coursework taken as part of an approved study-abroad program can be recorded on the transcript and counted toward UF graduation.
Prereq: undergraduate advisor permission
