IDS 1054 Introduction to Research in the Liberal Arts and Sciences 1 Credit

Grading Scheme: Letter Grade

Helps Liberal Arts and Sciences students find research opportunities and acquire skills. Topics include formulating research questions, drafting project proposals, cultivating professional relationships with faculty, presenting at conferences, and getting published. Students also engage with the wider research community through tours of special collections and QA sessions with faculty and undergraduate researchers.

Prerequisite: Liberal Arts and Sciences student.

IDS 1161 What is the Good Life 3 Credits

Grading Scheme: Letter Grade

Examines the enduring question, "What is the Good Life?", from the perspectives of the humanities. Topics include the cost of the good life, how people have chosen to live as members of local and global communities, and conceptions and expressions of beauty, power, love, and health.

Prerequisite: Restricted to undergraduate degree-seeking students.

Attributes: General Education - Humanities

IDS 2154 Facets of Sustainability 3 Credits

Grading Scheme: Letter Grade

Introduces theory and practices of sustainability from a variety of topical concerns and academic fields. Investigate challenges of pursuing sustainability via texts, lectures, debate and discussion, and written assignments.

IDS 2338 Democratic Engagement and Public Leadership 3 Credits

Grading Scheme: Letter Grade

Reflections on the concept of citizenship in the US and internationally. Learn to analyze and to solve public problems and effectively evaluate methods of civic activism. (S)

Attributes: General Education - Social Science

IDS 2935 Special Topics 1-3 Credits

Grading Scheme: Letter Grade

Introduces selected interdisciplinary topics. Content varies from term to term.

IDS 3750 Artificial Intelligence in the Social Sciences 3 Credits

Grading Scheme: Letter Grade

Defines artificial intelligence, big data, and machine learning and discusses the distinctions between these fields. Describes the use of machine learning, search algorithms, text and image analysis, and other AI methodologies to address important social science research questions. Presents artificial intelligence applications to various social sciences disciplines and provides hands on data analysis experience of the use of AI within the social sciences.

Prerequisite: EEL 3872 or permission of the instructor.

IDS 4905 Individual Study 1-7 Credits

Grading Scheme: Letter Grade

Opportunity for more in-depth study; complete a project as part of the planned program. The project must be approved by the dean and carried out under the guidance of a faculty member.

IDS 4906 Interdisciplinary Thesis Research 1-12 Credits

Grading Scheme: Letter Grade

Research accommodation for thesis. (WR)

Corequisite: refer to the department.

Attributes: Satisfies 6000 Words of Writing Requirement

IDS 4911 Undergraduate Research in Interdisciplinary Studies 0-3 Credits

Grading Scheme: Letter Grade

Provides firsthand, supervised research in Interdisciplinary Studies. Projects may involve inquiry, design, investigation, scholarship, discovery or application in Interdisciplinary Studies.

IDS 4930 Special Topics in Interdisciplinary Studies 1-3 Credits

Grading Scheme: Letter Grade

Advanced study of selected topics. Content varies from term to term.

IDS 4940 Internship 0-3 Credits

Grading Scheme: S/U

Supervised internship under guidance of faculty member or delegated authority. Post-internship written report is required.

IDS 4942 Sustainability in Action 3 Credits

Grading Scheme: S/U

Capstone course that integrates readings, discussion and practical experience in a sustainability-related community service, internship or project.

Prerequisite: sustainability studies majors and minors with department approval.

IDS 4956 Overseas Studies 0-16 Credits

Grading Scheme: Letter Grade

Provides a mechanism by which coursework taken as part of an approved study abroad program can be recorded on the UF transcript and counted toward graduation.

Prerequisite: undergraduate advisor permission.

IHS 1100 Intro to Pre-Health Process 1 Credit

Grading Scheme: Letter Grade

Introduces professional development necessary for application to healthcare professional schools. Engagement in self-assessment while researching requirements and competencies needed to build a professional development plan. Explores diversity in academics, clinical, research, shadowing and community involvement.

IHS 3102 Pre-Health Pathways 2 Credits

Grading Scheme: Letter Grade

Consistent/continual personal and professional growth is the core to preparation for health career professions. Offers pre-health students opportunities for analysis, engagement, and assessment of intrapersonal, interpersonal and critical reasoning preprofessional competencies defined by healthcare professional schools. Creation of professional development plan and professional school 'application portfolio' demonstrate knowledge, skills and qualifications needed for competitive applicants.

Prerequisite: Critical Tracking Semester 3

IHS 3935 Human Dimensions in Healthcare 3 Credits

Grading Scheme: Letter Grade

Seminar for those pursuing a profession in healthcare. Holistically explore and analyze health-related topics in humanities and social sciences via multimedia, stories, speakers, reading, and discussion to have greater insight, sensitivity, and understanding in human dimensions and individual worldviews related to health.

Prerequisite: Sophomore level or higher.

IHS 4125 PHPB Healthcare Seminar 2 Credits

Grading Scheme: Letter Grade

With collaboration and mentoring with the instructor, Pre-Health Post-Bac (PHPB) students research and present seminars on a variety of healthcare topics/issues. Using instructor provided resources with additional student identified resources, the students and instructor develop seminar content related to the humanities and social sciences for seminar topics.

Prerequisite: Students active in LAS_PB4 student group. Admission to the Pre-Health Post-Bac (PHPB) program. PHPB students only.

INS 3004 International Studies Perspectives 3 Credits

Grading Scheme: Letter Grade

Demographics, cultures, governments and histories of major world regions as these relate to major, current, transnational and global issues such as migration, socio-economic development, conflicts and disasters, and environmental issues.

Prerequisite: completion of at least 3 courses approved for the international studies major.
