PACKAGING SCIENCE

Not all courses are offered every semester. Refer to the schedule of courses for each term's specific offerings.

More Info (https://one.uf.edu/soc/)

Unless otherwise indicated in the course description, all courses at the University of Florida are taught in English, with the exception of specific foreign language courses.

Courses

PKG 3001 Principles of Packaging 3 Credits
Grading Scheme: Letter Grade
Focuses on the materials, uses, functions and production processes of packaging. Topics include an industry overview and related applications as well as the historical, societal and technological drivers of packaging and how end-users decide on the product/package combination they use for their product and the impact these choices make on the product's market success.

PKG 3103 Food Packaging 3 Credits
Grading Scheme: Letter Grade
Studies major technical, safety and legislative issues involved in modern food packaging practices. Includes the physical and chemical properties of food packaging materials and a survey of modern packaging techniques for various food types.
Prerequisite: CHM 2045. Fall.

PKG 4008 Distribution and Transport Packaging 3 Credits
Grading Scheme: Letter Grade
Studies containment, protection and preservation practices related to transporting and delivery of packages.

PKG 4011 Packaging Production and Processing 3 Credits
Grading Scheme: Letter Grade
Studies operations and machinery used in modern packaging lines. Topics include high-speed forming, filling, sealing, labeling, check weighing, inspection, coding, palletizing and shipping.

PKG 4101C Computer Tools for Packaging 3 Credits
Grading Scheme: Letter Grade
Studies the computer tools applicable to the packaging industry. Topics include label design, bar code technology, spreadsheet programming, 3D package design and distribution efficiency analysis.

PKG 4905 Individual Work in Packaging Engineering 1-6 Credits
Grading Scheme: Letter Grade
Selected problems or projects enhance knowledge of packaging engineering related topics.

PKG 4932 Special Topics in Packaging Engineering 1-6 Credits
Grading Scheme: Letter Grade
Lectures, laboratory, and/or special projects.

PKG 4941 Work Experience in Packaging Engineering 1-3 Credits
Grading Scheme: S/U
Work experience in the packaging science industry. (S-U)
