Not all courses are offered every semester. Refer to the schedule of courses for each term's specific offerings.

Courses

**EDF 2085 Teaching Diverse Populations** 3 Credits
Surveys educational demographics, foundations of prejudice, elements of culture, political and philosophical roots of diversity and commonality, exceptionalities, and barriers to cultural understanding and diversity in the classroom. A minimum of 30 hours of field experience is required with 15 hours in a diverse setting. See also: EDF 100S and EME 2040. (D and S)

**General Education - Diversity**
General Education - Social Science

**EDF 3122 The Young Child** 3 Credits
Studies growth and development during infancy and early childhood. Laboratory includes observation and participation in nursery school and kindergarten.

**EDF 3433 Introduction to Educational Measurement and Evaluation** 2 Credits
Surveys principles and methods of educational measurement with an emphasis on evaluation and diagnosis of students in school settings. Prereq: STA 2023; knowledge of descriptive statistics, correlation and regression; inferential statistics and tests on means; and department permission for freshmen and sophomores.

**EDG 4910 Education Undergraduate Research** 0-3 Credits
Supports mentored scholarship work that enables individual students to engage in the research process of posing questions, collecting and analyzing data, drawing evidence-based conclusions and communicating the results to others. Projects may involve inquiry, design, investigation, scholarship, discovery or application depending on the topic. (S-U)

**EEC 3005 Professionalism in Preschool and Childcare** 3 Credits
Ethical standards, professional guidelines, informed advocacy, and collaboration to support the development of children in child care and preschool settings. Prereq: admission to B.S. in Early Childhood Studies.

**EEC 3213 Language and Literacy Development in Preschool** 4 Credits
Provides an understanding of the phases of language and literacy development in children ages 3-5. Prereq: admission to B.S. in Early Childhood Studies.

**EEC 3404 Families, Diversity and Multicultural Considerations in Early Childhood** 4 Credits
The role of family and influence of community on development and learning of young children in diverse society.

**EEC 3421 Teaching Math and Science in Early Childhood** 3 Credits
Techniques and methods for teaching preschool to third grade mathematics and science. Topics include psychological understandings, problem solving processes, integration of mathematics and science curricula, organizing for instruction, teaching methodology, alternative assessments and applying the process approach to learning activities through use of centers, cooperative learning, hands-on manipulatives and discovery type experiments. Prereq: junior/senior-level EMR in Unified Early Childhood Education.

**EEC 3941 Practicum in Early Childhood Education** 1-4 Credits
Field experience in pre-service early childhood education. (S-U) Prereq: enrollment in Unified Early Childhood PROTEACH.

**EEC 4024 Infant-Toddler Curriculum** 3 Credits
Design, implementation and evaluation of curriculum to support the development of infants and toddlers in child care programs. Prereq: admission to B.S. in Early Childhood Studies.

**EEC 4121 Mathematics and Science in the Preschool Years** 3 Credits
Development and promotion of mathematics and science skills, concepts and dispositions in the preschool years. Prereq: admission to B.S. in Early Childhood Studies.

**EEC 4125 Early Childhood Science and Social Studies** 3 Credits
Integrated curriculum course for science and social studies from the perspective of constructivist theory. Designed to promote understanding of similarities in ways in which children construct basic science and social studies concepts. Prereq: junior/senior-level EMR in Unified Early Childhood Education.

**EEC 4252 Early Childhood Curriculum and Management** 3 Credits
Develops knowledge of best practices in curriculum, management, and teaching in the early childhood years. Includes the contribution of child development theory and research to the design and implementation of appropriate early childhood programming, and discusses using theme-based units and play for integrating curriculum.

**EEC 4268 Play and Integrated Curriculum in the Preschool Years** 3 Credits
Uses theme-based units and play to integrate curriculum for preschool-aged children. Prereq: admission to B.S. in Early Childhood Studies.

**EEC 4314 Behavior Management in the Preschool Years** 3 Credits
Understanding, preventing and responding to challenging behavior in preschool age children.

**EEC 4315 Promoting Social Competence in the Preschool Years** 3 Credits
Methods to facilitate peer interaction and promote the development of social competence for preschool age children.

**EEC 4712 Social Competence in Early Childhood** 3 Credits
Techniques for implementing developmentally appropriate strategies that promote children’s self-responsibility and self-discipline. Examination of practices that help young children learn conflict resolution, effective interaction skills and prosocial behavior. Prereq: junior/senior-level EMR in Unified Early Childhood Education.

**EEX 2000 Impact of Disabilities: Home, Community and Workplace** 3 Credits
How disabilities impact the lives of individuals who have disabling conditions and how the presence of individuals with disabilities enhances diversity in a variety of settings. The impact of disabilities in home, community and work environments. Physical, cognitive and emotional/behavioral disabilities are considered. (D and S)

**General Education - Diversity**
General Education - Social Science
EEX 3012 Introduction to Special Education 3 Credits
Overview of special education characteristics and definitions of
disabilities, the referral process and service delivery models. Information
on the history of, legal basis for and contemporary issues in special
education.

EEX 3062 Early Childhood Special Education Curriculum 3 Credits
Content knowledge in developing and implementing individualized
educational programs for the pre-kindergarten child with disabilities,
including developmentally appropriate curriculum; methods, interventions
strategies, teaming approaches, inclusion and mainstreaming issues; and
approaches and techniques for serving the child and the family.

EEX 3070 Teachers and Learners in the Inclusive School 3 Credits
Characteristics of, identification of and teaching practices for exceptional
children in mainstream education. Designed for general education
majors, both elementary and secondary.
Prereq: junior or senior standing.

EEX 3093 Exceptional People in School and Society 3 Credits
Persons with disabilities and people from other diverse groups and
the services they need from school and society for success. Consideration
of the abilities, causes and educational implications. May not be taken in
lieu of EDF 2085. (D and S)
General Education - Diversity
General Education - Social Science

EEX 3097 Social Perspectives on Disability 3 Credits
Covers issues relevant to people with disabilities, their families and
others with whom they have contact through community, employment
or other settings. Specifically, historical views of people with disabilities
and current disability-related issues are examined. Provides a framework
for understanding disabilities and disability-related issues within cultural
contexts.
Prereq: EEX 2000 or EEX 309. Coreq: admission to disabilities minor.

EEX 3226 Assessment in Early Childhood Special Education 3 Credits
Use of informal and formal evaluation techniques to develop
individualized educational programs for young children with disabilities
and individualized family support plans for infants and toddlers with
disabilities and their families. An emphasis is the implementation of a
multidisciplinary team approach in the assessment of young children.

EEX 3257 Core Teaching Strategies 3 Credits
Helps pre-service teachers develop instruction that provides diverse
learners meaningful access to the school curriculum, and assist them in
becoming self-regulated learners.

EEX 3616 Core Classroom Management Strategies 3 Credits
Helps pre-service teachers learn classroom management strategies
that develop a positive classroom community for students with
disabilities and other diverse learners. They will learn organizational
and management strategies to assist students in managing their behavior.

EEX 4064 Educational Programming for Infants and Toddlers with
Disabilities 3 Credits
Overview of issues, trends and best practices in the education of infants
and toddlers who are at-risk or disabled (birth to three).

EEX 4280 Disabilities in Community and Employment 3 Credits
In-depth look at aspects of the community and work experiences for
adults with disabilities and the individuals who interact with them.
Effective practices that foster accepting and supportive environments
that ensure successful life outcomes are discussed.
Prereq: EEX 2000 or EEX 3093.

EEX 4294 Differentiated Instruction 3 Credits
Provides preservice teachers with information and expertise related to
instruction that effectively meets the academic needs of all students in
inclusive settings.

EEX 4520 Disabilities: Legal Aspects and Policies 3 Credits
Development and enactment of laws and policies designed to protect the
rights of persons with disabilities. The Americans with Disabilities Act is
examined as well as other significant legislation contributing to policies
affecting this population. Students will examine disability legislation/
policy on local, state, national and international levels.
Prereq: EEX 2000 or EEX 3093; Coreq: admission to disabilities minor.

EEX 4754 Family Focused Involvement in Early Childhood Special
Education 3 Credits
Professional skills working with families of young children with
disabilities, including understanding of family systems theory, assessing
family strengths and needs, developing individual family support plans
(IFSP) or individual educational plan (IEP), and enhancing communication
and counseling skills. Understanding families from diverse cultures.

EEX 4790 Multicultural Issues in Early Childhood Special Education
3 Credits
Cultural and linguistic diversity among young children with disabilities
and their families.

EEX 4810 Seminar on Disability 3 Credits
Identify and analyze current disability issues and literature on the
integration of individuals with disabilities in the workplace, post-
secondary education, community, and adult life. Students complete a
culminating activity investigating a disability topic or applying disability-
related knowledge to their academic discipline or anticipated professional
practice.
Prereq: EEX 3097 or EEX 4280 or EEX 4520.

EEX 4837 Practicum Early Child 3 Credits

EEX 4905 Individual Study 1-6 Credits
In-depth study of a problem that relates to preparation as a special
education teacher. The project must be approved and supervised by
department faculty. (WR)
Prereq: undergraduates only.
WR6

EPD 4033 Child Youth Mult Disa 1-3 Credits

LIN 3710 Language Acquisition 3 Credits
Child language development and use as it influences classroom practice
and literacy development. Study of oral language development of children
from birth through age eight.
Prereq: junior/senior-level EMR in Unified Early Childhood Education.

SLS 1510 Developing Academic Skills 2 Credits
Equips students with the tools that enable them to become independent
learners with focus on testing and study skills, library research, and
organized composition skills; introduces analytical thinking.
