

COLLEGE OF PUBLIC HEALTH AND HEALTH PROFESSIONS

Dean: Michael G. Perri

Executive Associate Dean: Stephanie L. Hanson

The University of Florida College of Public Health and Health Professions has established a new educational model that focuses on the integration of public health problem-solving and individual patient care. The college's mission is to preserve, promote and improve the health and well-being of populations, communities and individuals. To fulfill this mission, we foster collaborations among public health and the health professions in education, research and service.
